Contest Guide

2S Architectural Glass Award 2011

Judging Criteria Guide

Judging Criteria

i.	Safety	20%
ii.	Energy Efficiency	30%
iii.	Indoor Environment Quality	10%
iv.	Materials & Resources	10%
v.	Design & Innovation	20%
vi.	Economics	10%
<hr/> Total		100%

i Safety 20%

Create safety glass awareness,
promote the use of safety glass and
to prevent serious injuries.

i i Energy Efficiency 30%

Create energy saving awareness, promote the use of energy saving glass and to provide a thermally comfortable environment to reduce the use of air-conditioning, thereby reducing CO2 emission.

iii Indoor Environment Quality 10%

Ensure glass is specified to reduce discomfort of glare from natural light and maintain a comfortable acoustic environment for occupants.

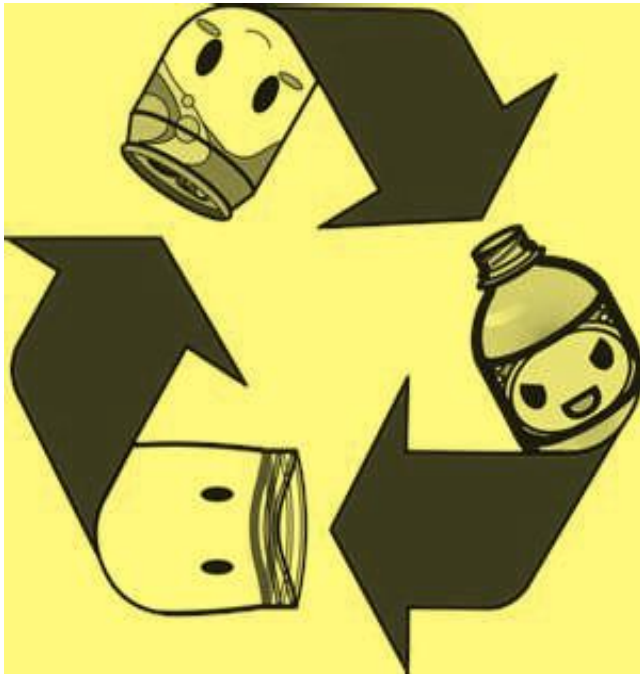

v Design & Innovation 20%

Encourage innovative façade design and usage of innovative products.

iv Materials & Resources (MR) 10%

Encourage usage of recycled content raw glass, thereby reducing impacts resulting from extraction and processing of virgin materials and sourcing of regional glass to reduce environmental impacts due to transportation.

vi Economics 10%

Ensure glass usage not over designed to shorten life cycle cost.

Rules & Regulation

1. This award is to give recognition to Malaysia architects for innovative, effective and practical application of safety and energy saving glass on building in Malaysia.
2. Open to all Malaysia Corporate Architects. Projects that have won previous 2S ARCHITECTURAL GLASS AWARD are not eligible.
3. The decision of the Jury is final and shall not be negotiated, contested, reviewed, challenged or appealed against by any party through any means or process whatsoever. The discretion of the Jury to make or withhold an award is absolute.
4. Submission forms are available at www.ksg.com.my.
5. There is **no entry fee**.
6. Each submission is to have not more than 3 unmounted color photographs measuring 20.32cm x 25.4cm (8" x 10") depicting in part or in total of the glass facade/window/door of the building. A brief description of the design concept by the entrant is also required (not more than 100 words). All submissions shall remain the property of Kien Safety Glass Sdn Bhd.
7. Submission in soft copy is compulsory. Images should be in JPEG Format with minimum 300 dpi resolution and size at least A4 (21.0cm x 29.7cm) or above.
8. Participants may submit any number of entries, provided each entry is accompanied by separate submission form duly completed and endorsed on or before 31st October 2011.
9. All winners will be notified.

THE END
